Data Privacy Statement

PAE hereby informs the Users of this Internet portal of the following Terms and Conditions, so that they may decide, voluntarily and in full exercise of their own free will, whether they choose to provide the data required herein. The "Form for Prospective Suppliers" is intended for the User to be considered as a possible candidate to satisfy PAE's future requirements for products, services and other similar concepts, in case PAE so decides and communicates such decision to the User. PAE hereby guarantees that the Data provided will be kept confidential and will be processed consistently with the purpose for which they have been collected. PAE may transfer the Data provided by the User to any of the companies in its group as long as such companies process the Data as mentioned above. The User declares that the Data provided to PAE when registering in this portal are true, accurate, up to date, and complete. The User undertakes to inform PAE of any change in the Data provided. These Terms and Conditions shall be governed by the laws of the Argentine Republic. In the event that PAE and the User are unable to settle their disagreements in good faith and under a principle of mutual understanding and cooperation, they agree to be bound by the jurisdiction of the competent Courts of the Autonomous City of Buenos Aires for settling their conflicts, and they expressly waive any other jurisdiction that may apply.

5. Once all the form has been completed, clic “Send” (as indicated in the image above).
6. After sending the form, PAE Suppliers Development and Management Department receives the data and authorizes the company as a Prospective Supplier. Once all these steps have been completed, your Company will become part of the prospective supplier portfolio of Pan American Energy.
7. When completing this step, the Company will receive 2 (two) e-mails; the first one indicating the assigned Username (S3XXXXX), and the second one with the password. To access, click on the Supplier Self-Management System link provided below.

IMPORTANT:

- Please, do not forget to check the Spam folder.
- For suppliers belonging to Mexico, registration ends in step number 6 (six), without the need to use the portal as mentioned below.

8. By clicking on the link, a screen will prompt you to log in as a prospective supplier. When logging in for the first time, enter the Username indicated in the first e-mail, and the “Password” provided in the second e-mail.
